There ain't no stopping me

Maeda! Go quickly!
OR YA!
I heard you already!
Ga!

Ku-
I heard you, but!
AAH! FUCK!
Bu-!
KAWA SHIM AAAA!!!

YOU COW-ARD!
SHOW YOUR SELF!

Ahn!?
Maeda! Use the other path!

Having only you guys last won't work!

The front is holding us up! You're in back, so rotate!
I don't want to split our power! I'm in the front, so there's no getting through these guys!

Where should I sta-
AH! Don't look away, idiot!
カッ
Don't worry about this side!
That's enough, just go forward!
ゴッ
Ga-!

If you want to duel him, then don't worry about these surrounding dudes!

If you stop gibbering away, then you'll quickly get to Kawashima!

Didn't you say you'd be the one to give it to Kawashima?

Kasai!

.....

Who did you say was an idiot...???

This path's held down!

You idiot!

URYAH!
GAH!
Ah-gah-gaaaah!
Ka ka ka!
Now then, anyone who wants their joint done like that, come on through!

Everyone's putting their trust in you.

……

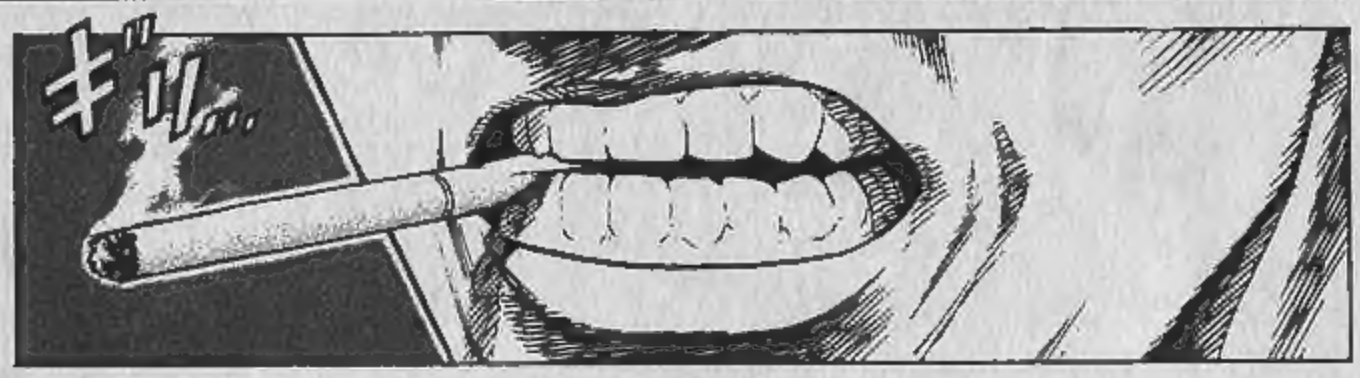
Ugah!
ガ…
……
Come on, get going!
Don't linger!

……

Shut the fuck up, retard.

Ah! He's turned to running!

Guwa-



Mother fucker.

We just said he wouldn't be doing that.
Those Kyokuto guys should be in Tokyo until today. If Maeda wanted to assault their hotel, he would have to do it today, no?

It's definitely strange!

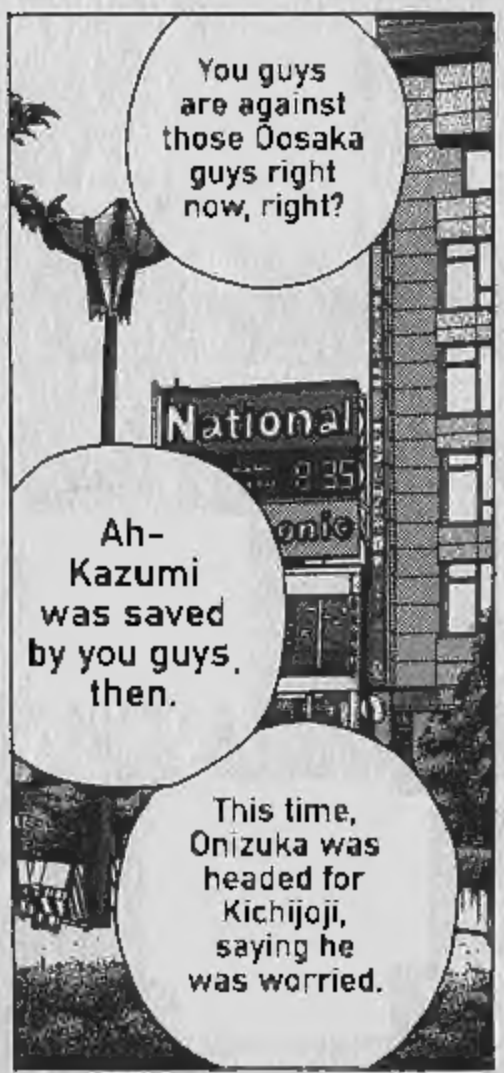
Oh, you guys!
!

I really saw him at dawn!
You should've just flushed such rotten information!
This Koheiji T-Shirt also saw him!

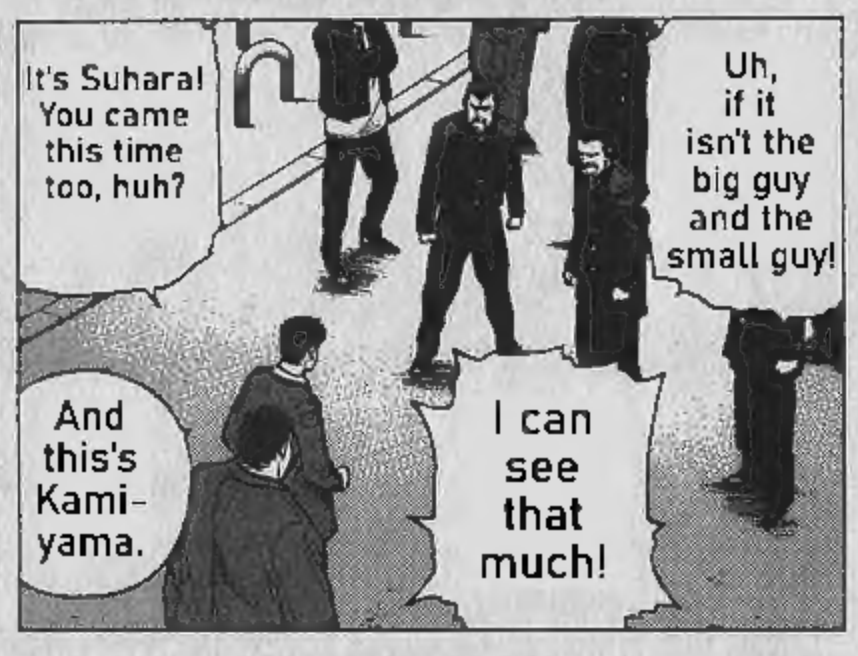
Then it's right to think Yakushiji left last night with the other two, and boarded for Ikebukuro.

Y- you guys!
Shibuya's um.... Err....

What are you guys doing together?
Ah!

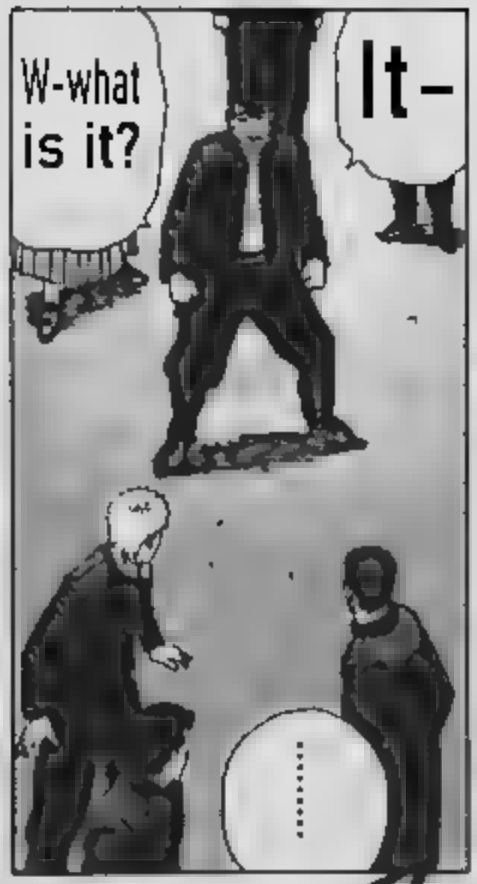


You guys are against those Oosaka guys right now, right?
National
Ah- Kazumi was saved by you guys, then.
This time, Onizuka was headed for Kichijoji, saying he was worried.



It's Suhara! You came this time too, huh?
Uh, if it isn't the big guy and the small guy!
And this's Kami-yama.
I can see that much!

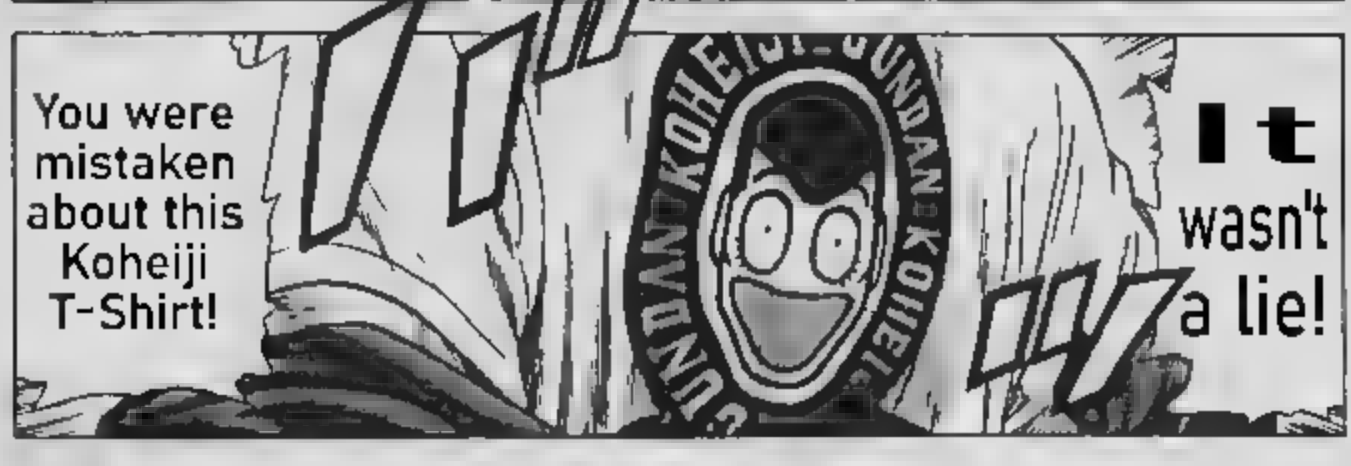
Oni zuka?
If you could do me a small favor, do you know Onizuka?
I haven't seen him, do you know where he is?



W-what is it?
It-
.....

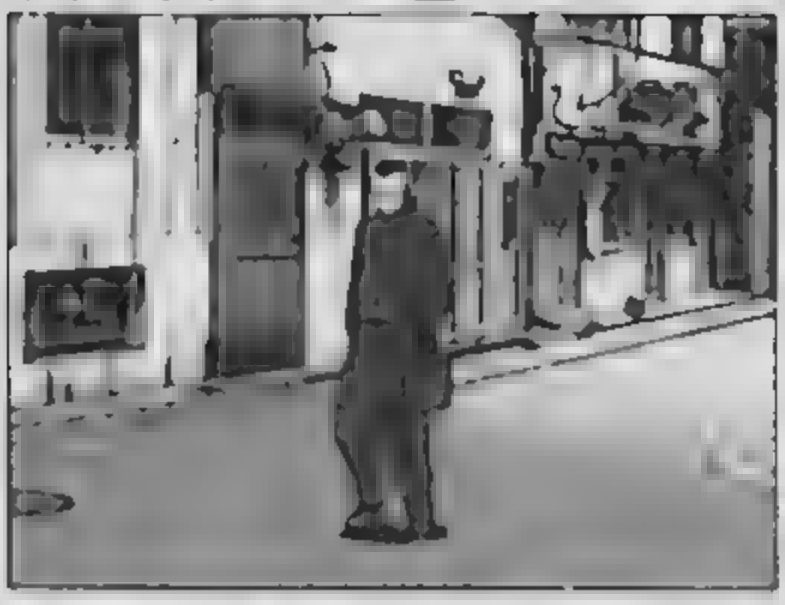
I thought he might still be in Kichijoji.
So, haven't seen even Onizuka's shadow since yesterday

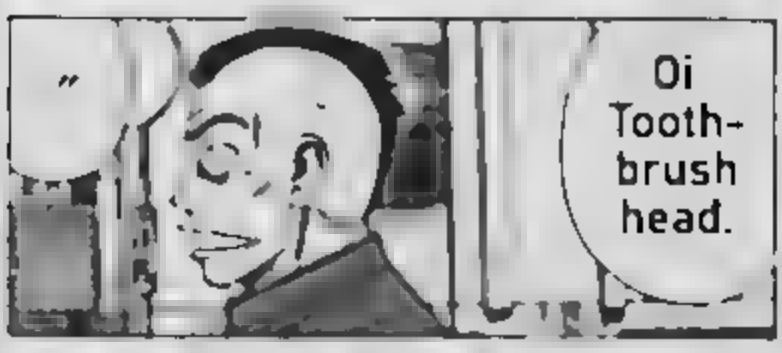
With three people
T-then it could be...
W-what? Onizuka too?



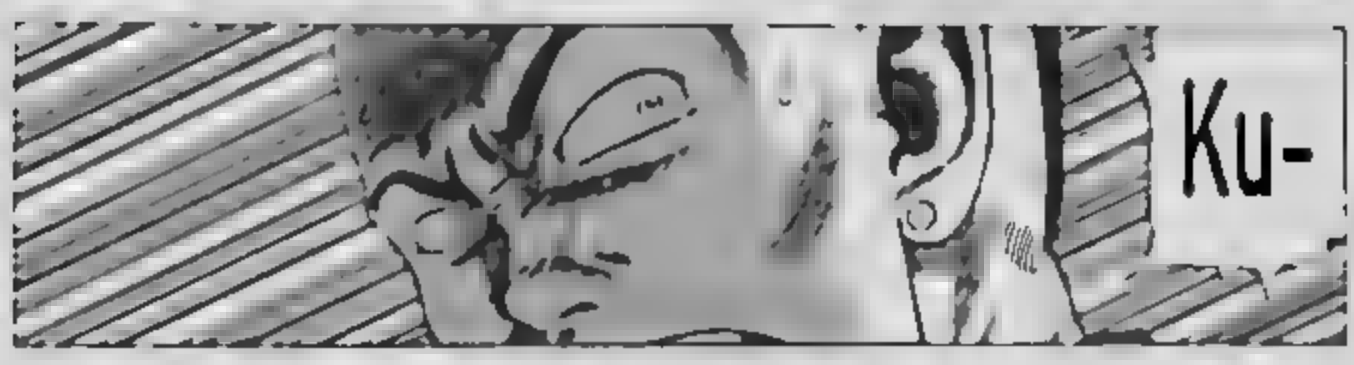
You were mistaken about this Koheiji T-Shirt!
It wasn't a lie!

Ikebukuro!
Hurry! This might be bad!
W-what?





"
Oi Tooth-brush head.



Ku-

I'd like you to tell us the road.

To the Sunshine Parking Lot.

Is it fine to say that, Taka?

Maybe knowing our 150-man mobilization, you'd still challenge us as mortal enemies?

Hu-Hundred...

W-

Y-you guys! I'll kill you!

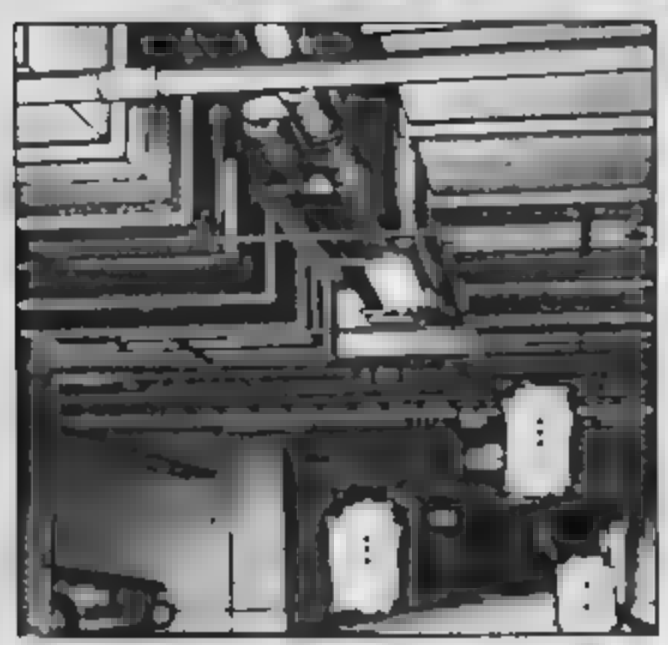
Kyo-Kyokuto!

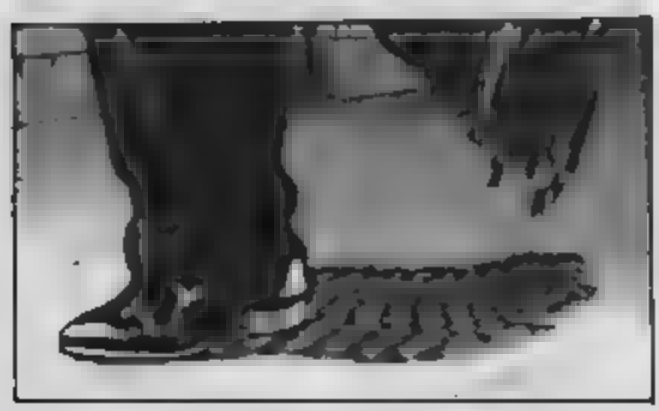
What brought that on?

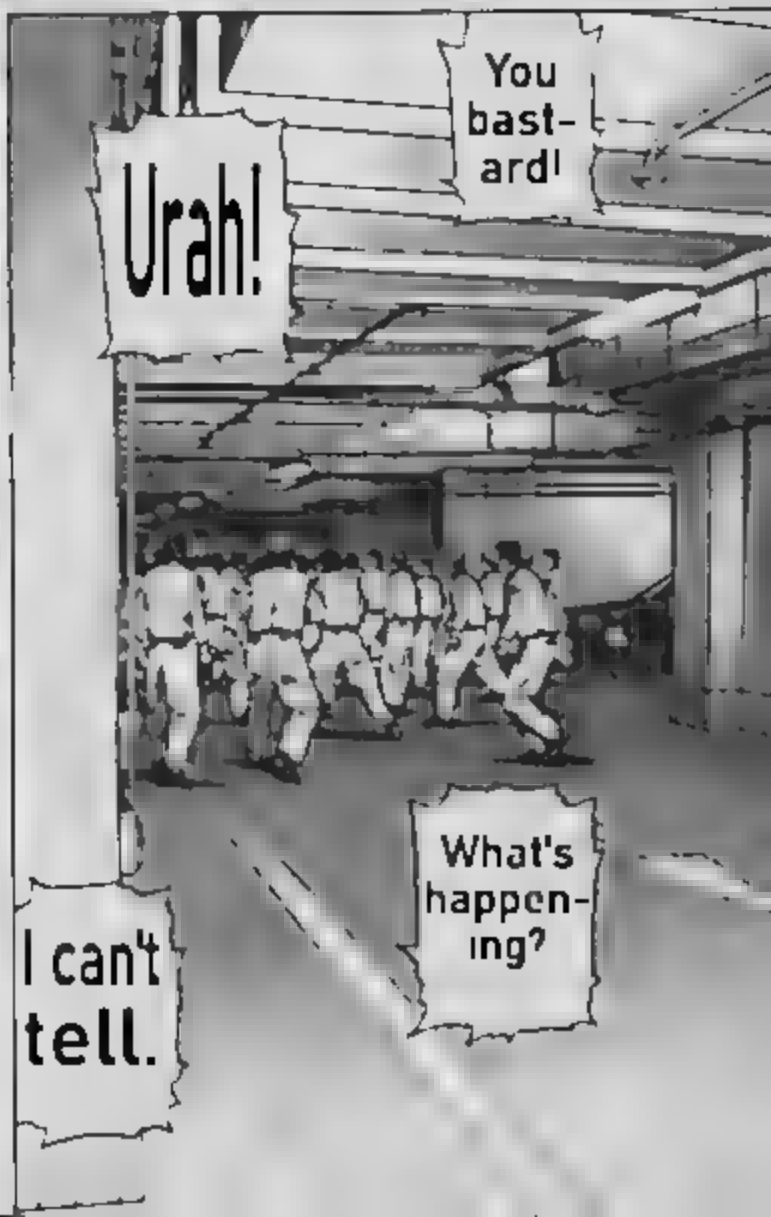
Oh?

バキッ
ドッ
Ugah-!

Gwoah!



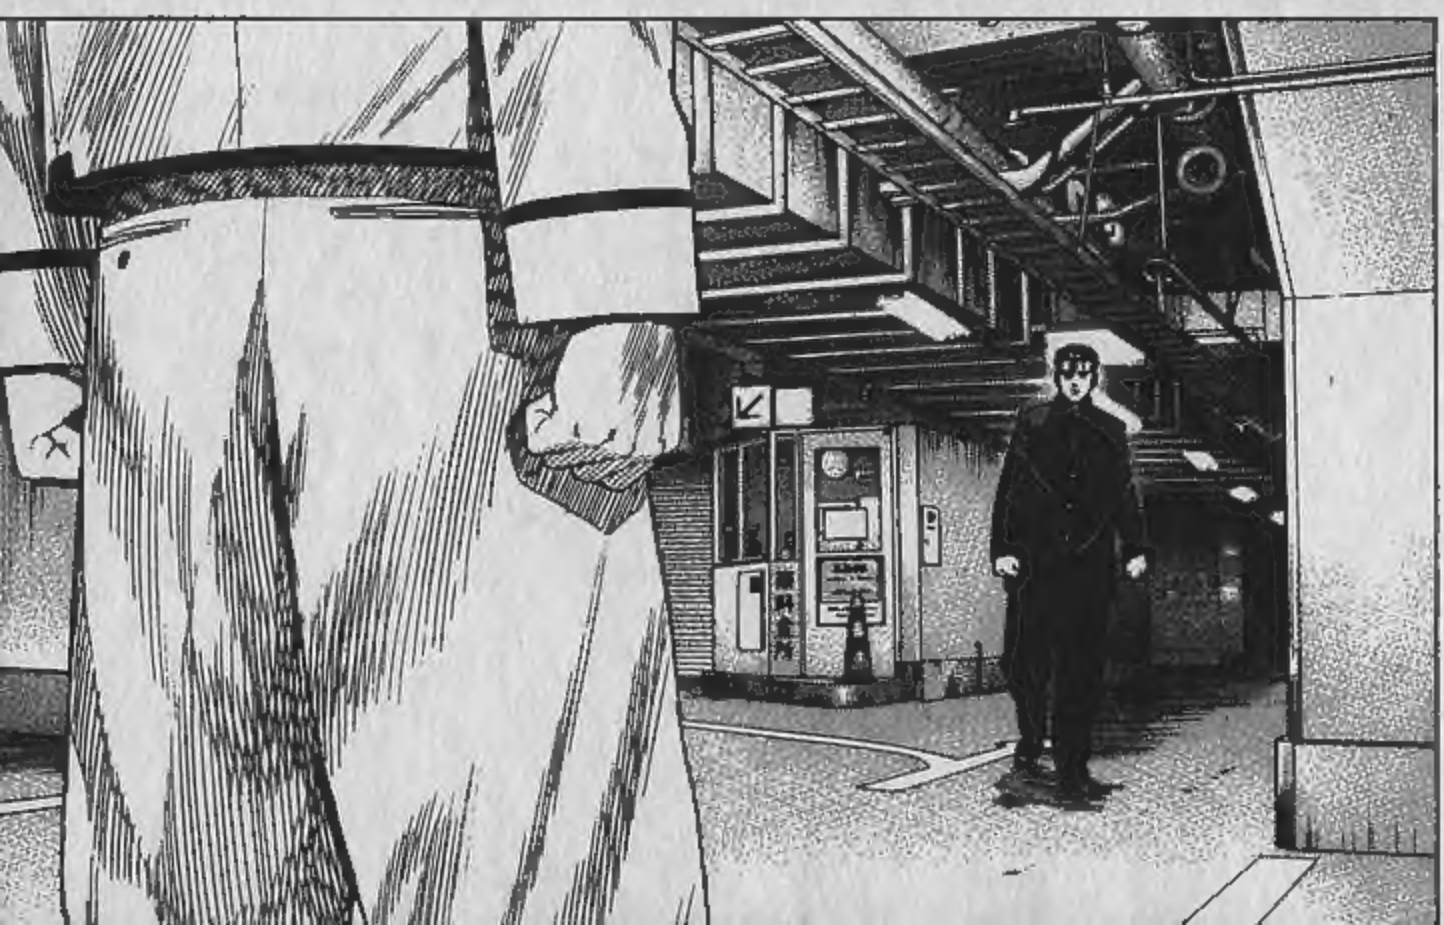


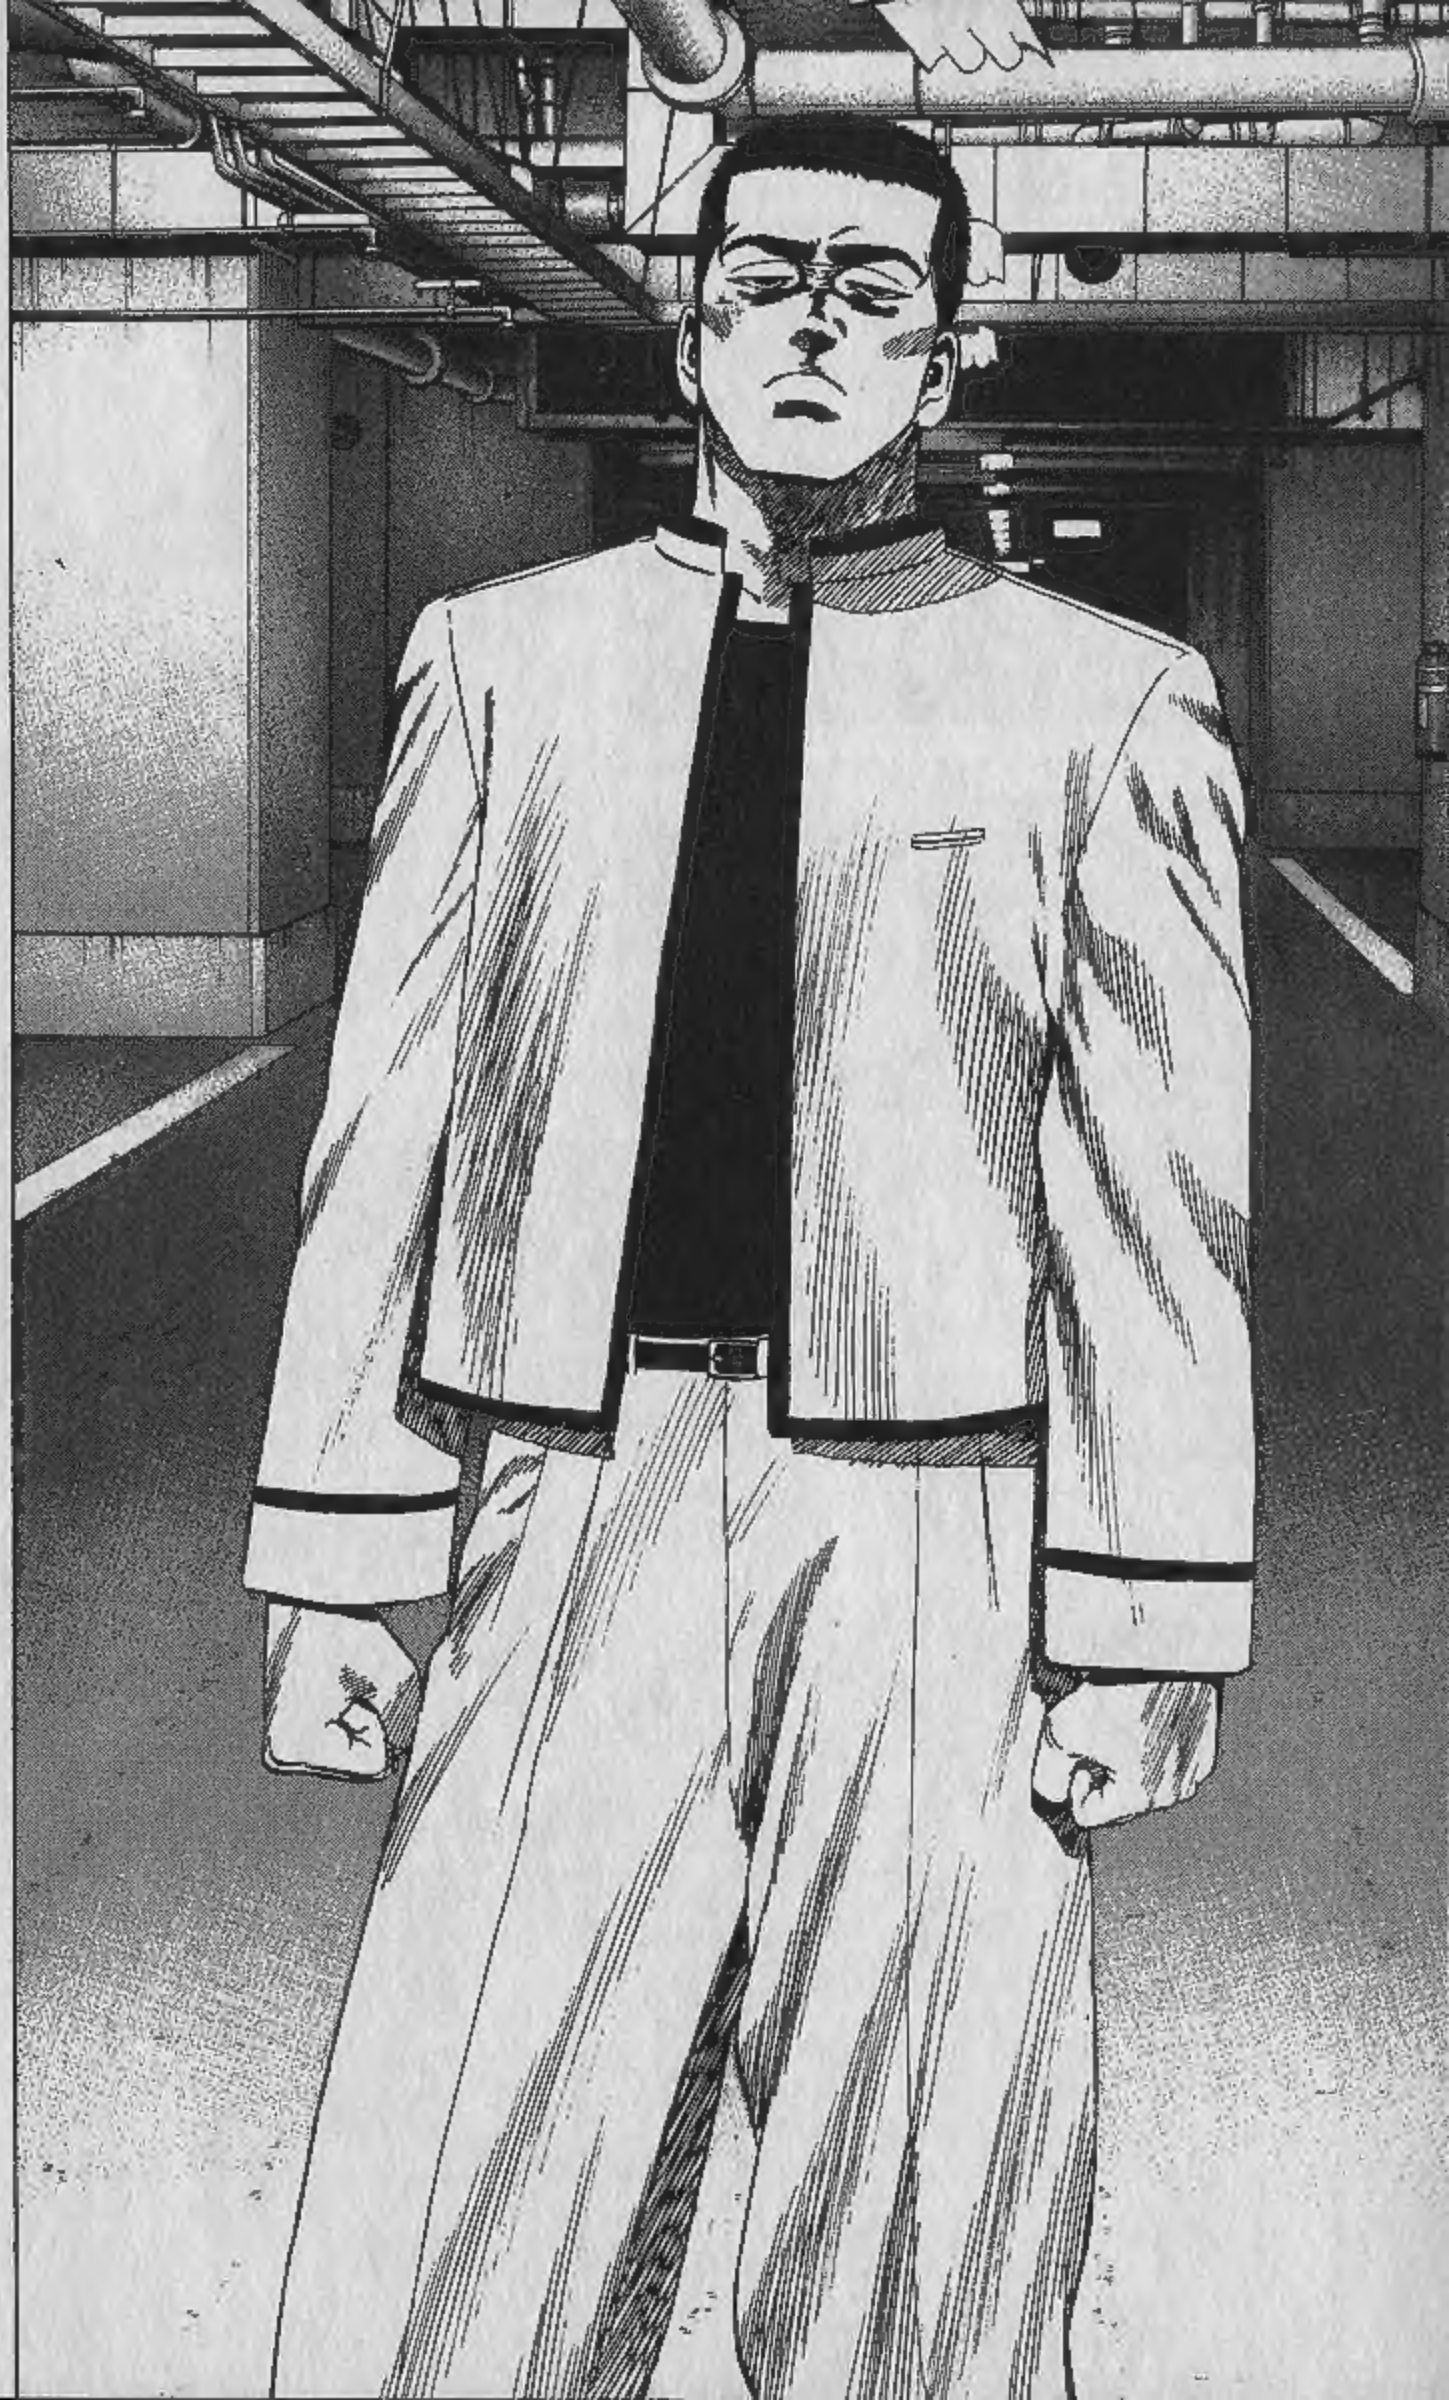


Urah!
You bast-ard!
What's happen-ing?
I can't tell.

I got lost.
What an awfully large parking lot.

!





Kawa shima ...

To crush me...

Things like trust must be worthless!
